## **Investment Opportunity**

Natural Ophthalmics, Inc. is looking to fund several projects which will enable the company to grow. We have developed a funding program whereby our customers can dramatically increase their profits and earn a healthy interest rate. We call it the "Note to Stock" program.

In essence, we offer 10% interest to those lending funds. Doctor customers also get discounts on product purchases.

We offer this program on a very limited basis, so if it is of interest to you, do not hesitate to call me at 877-220-9710 for more information.

Sincerely,
